

**UVA WOMEN'S CLUB
HIKING/WALKING (and usually lunch!) GROUP
2018 – 2019**

This group meets on the first Tuesday of the month for non-strenuous hiking. We hike in beautiful places with beautiful people. This year we are trying something new: If weather prevents us from hiking, we will schedule the same hike for the following week. Of course, with all that exercise we are almost obliged to go out for lunch afterwards. We usually decide where to lunch as we hike. Of course no one is obligated to join us for lunch.

Although we hope that you will sign up for this interest group at the fall meeting, we will notify the entire membership of upcoming hikes each time. That way anyone with an interest in this fun group can join us any time. Following is a TENTATIVE schedule. Each month we will send out a notice about the location and will ask for an RSVP so that we will wait for you. Happy Hiking!
